

IT APPRENTICESHIP

DIPLOMA FOR DIGITAL LEARNING PRACTITIONERS

Digital Learning is an ever evolving specialism which continually challenges the 'typical' approach to the facilitation of high quality learning opportunities.

As an accredited Digital Learning Practitioner, you will develop the skills, knowledge, and competence to ensure your audience can engage with a range of accessible and innovative digital learning experiences. The knowledge and skills acquired to create effective and inclusive digital content, with a focus on pedagogical and learning and development principles, will give you the 'digital toolkit' to provide outstanding experiences for your learners.

LEVEL 3

15 MONTHS

ANY COMPUTER, TABLET OR MOBILE

Our IT Apprenticeships are delivered in partnership with **Educ8 Training Group.**

WHO IS IT FOR?

The qualification is aimed at those who wish to improve their digital learning design skills, for example:

- learners who are employed in education, such as teachers, teaching assistants, lecturers, assessors, trainers.
- learners who are employed in learning and development, such as development managers, human resources officers, learning and development trainers.
- learners who wish to become digital designers or digital facilitators, or those who wish to move into the education or development sectors
- learners who wish to enhance their work-related delivery skills

LEARNING EXPERIENCE

Our courses are designed to provide an innovative route to apprenticeship completion with collaborative learning being central to your experience. Here is just some of the support you can expect:

- **A2B Hub** - our online learning platform is a central hub for you to access learning content and engage in collaborative learning.
- **INSPIRE Workshops** - access our range of virtual and in person INSPIRE workshops to explore module content and consolidate learning.
- **In the workplace** - one to one virtual and face to face support sessions, specific to you and your working context.
- **Project Based Learning** - contextualised learning relevant to the workplace, in a project based format.
- **Assessment** - not your typical assignments, we help you to develop innovative ways of showcasing your learning.

AFTER YOU'VE COMPLETED THE COURSE

Following completion of the course, you will have achieved:

- Apprenticeship Level 3 Diploma for Digital Learning Practitioners
- Agored Cymru Level 3 Diploma for Digital Learning Practitioners
- Level 2 Essential Application of Number Skills
- Level 2 Essential Communication Skills
- Level 3 Essential Digital Literacy Skills

You will receive a certificate as proof of your newly gained qualification and will be invited to attend Educ8's Gradu8 ceremony, where you will get the chance to celebrate your fantastic achievement!

QUALIFICATION OVERVIEW

To complete the apprenticeship framework you will need to achieve 67 credits in total. Credits are achieved in the following combination:

Mandatory units - 28 credits

Optional units - 21 credits

Essential Skills Wales, Communication - 6 credits

Essential Skills Wales, Application of Number - 6 credits

Essential Skills Wales, Digital Literacy - 6 credits

ESSENTIAL SKILLS

Welsh Government is committed to raising the levels of Essential Skills across Wales. Communication, Digital Literacy and Application of Number qualifications are an integral element to the funded apprenticeship frameworks.

These are usually delivered through workshops at one of our centres and will be planned well in advance. If you have completed Essential Skills previously or are able to provide suitable evidence such as GCSE certificates or similar, you may be exempt from completing this element of the qualification.
