

Inspire. Support. Achieve.

MISSION Statement

www.haddontraining.co.uk

Our Mission & Values

Creating inspirational and innovative learning for all.

Our mission is to transform and enrich the social and economic future of our people and our communities through developing and empowering them to achieve their full potential.

Haddon Training is run with an ethos driven by the values of honesty, integrity, respect, and positivity.

Our Intent

- To provide an individualised, stimulating, curriculum rich framework that will develop the learner's knowledge, skills and behaviours so they can achieve their career aspirations.
- To develop the emotional and social skills of all our learners so they can succeed and thrive in their work.
- To challenge and motivate our learners throughout their learning journey.
- To provide ongoing guidance and support to enable all our learners to succeed in their career.

Implementation

We will provide:

- A bespoke curriculum delivery to meet the needs of the learner and employer.
- Personalised Learning Plans.
- Sequencing of the curriculum to map on-the-job and off-the-job training.

- Organised learning to build on prior knowledge and promote long term memory.
- Measuring of progress through monthly reviews in partnership with learners and employers.
- Inspirational teaching sessions.

- High quality training to stretch and challenge learners.
- Embedded development of maths, English and ICT.
- Individualised support to develop independent learning.
- A culture of ownership for learning.

The Impact

Our positive outcomes

- Learners become confident, positive, resilient, ambitious, and autonomous.
- Learners are proud of their achievements.
- Learners enjoy learning.
- Learners feel safe to learn.
- Learners can recall knowledge independently.
- Learners can connect ideas through the knowledge and skills they have gained.
- Learners master the skills, knowledge and behaviours required for their future career and employment opportunities.
- Learners can make an informed choice regarding the next step.
- Learners have a clear pathway for progression, personal development, and fulfillment through continued education.
- Career advancement through Lifelong Learning.
- Employers gain fully qualified and highly motivated employees to drive their business forward into the future.
